WIRELESS HEADSET SYSTEMS

▶ **AWH-75 Wireless Office Headset System (700420334)**

Discreet over-the-ear voice tube design for a sophisticated look. Lightweight and comfortable. Freedom of mobility up to 300 feet from your desk phone. Uses new 1.9 GHz DECT™ 6.0 voice-only frequency for the lowest chance of interference.

▶ **AWH-450N Monaural Wireless Office Headset System (700420276)**
▶ **AWH-460N Binaural Wireless Office Headset System (700420300)**

Professional quality and comfort for frequent phone users. Proven design is based on the industry-leading headset. Freedom of mobility up to 300 feet from your desk phone.

▶ **ABT-35S Bluetooth® Office Headset System (700382435)**

This next-generation headset system allows seamless switching between an office phone and any Bluetooth enabled mobile phone, or PDA. Provides wireless communication in and out of the office with just one headset. 33 ft. range. Up to 5 hours talk time and 100 hours standby.

▶ **AWH-55 Wireless Office Headset System (700340870)**

300 foot range from base with no cords! Calls can be answered and ended remotely from the headset. With Electronic Hook Switch, no handset lifter is needed when used with phones listed at right.

▶ **Avaya wireless headsets are compatible with:**

2410, 2420, 4610SW, 4620, 4620SW, 4621SW, 4622SW, 4625SW, 4630, 4630SW, 5420, 5610, 5620, 5410, 6416D+M, 6424D+M, 9620 and 9630.

The 9600 series requires the 9600 Hookswitch Control Cord for remote functionality. Call 800-544-4779 to obtain free cord.

▶ **For legacy phones:** Older phones require either the

AWH-54 Wireless Headset System (700373301)

or

ABT-34 Wireless Headset System (700382492)

and an

HL10 Handset Lifter (408346146)

Avaya HL10 Handset Lifter

CORDED HEADSETS

▶ **SupraElite™ Monaural NC (700343726)**
▶ **SupraElite Binaural NC (700343742)**
▶ **SupraElite Monaural VT (700349541)**
▶ **SupraElite Binaural VT (700349566)**

The new industry standard for all-day comfort and natural-sounding audio. Available with noise-canceling (NC) microphone or Voice Tube (VT).

▶ **Also available with Wideband technology for use with 96XX Series phones.**

SupraElite Wideband Monaural NC (700413511)
SupraElite Wideband Binaural NC (700413529)

▶ **TriStar® Ultra NC (408020758)**
▶ **TriStar Ultra VT (407547058)**

Avaya's most discreet, ultra-lightweight, professional headset. Available with noise-canceling (NC) microphone or Voice Tube (VT).

REQUIRED ADAPTERS

▶ **HIC Cord (700414089)** Must be used to connect corded headsets to 24XX, 46XX, 54XX, and 56XX phones.

▶ **HIS Cord (700409881)** Must be used to connect corded headsets to 96XX phones

▶ **HIP Cord (700414121)** Must be used to connect corded headsets to 4606, 4612, and 4624 phones

▶ **For legacy phones:** Older phones may require an amplifier when connecting a headset to the telephone.

M12LUCM (700414147)
Partner Amplifier (407153253)
8400 SOTA (700304058)
HIP Cord (700414121)

FIVE GREAT REASONS WHY YOU SHOULD ADD AN AVAYA HEADSET TO YOUR NEW AVAYA PHONE:

1. WIRELESS FREEDOM

With an Avaya wireless headset you can take your hands-free calls up to 300 feet from your desk. Search for files, send a fax, or just grab a cup of coffee—and never miss a call.

2. ERGONOMICS

Ergonomic studies have shown that using a headset can reduce neck, shoulder and upper back muscle tension by as much as 41%.¹

3. PRODUCTIVITY

Real-world studies have shown that using a headset can increase worker productivity by up to 23%.²

4. GUARANTEE

We know you consider safety and quality as two essential priorities when selecting products from a telecommunications vendor. To provide the highest levels of safety and quality, Avaya supports only those headsets and headset adapters that carry the Avaya brand. These products are specifically designed to work in concert with Avaya terminals—receiving Avaya's formal Declaration of Conformity.

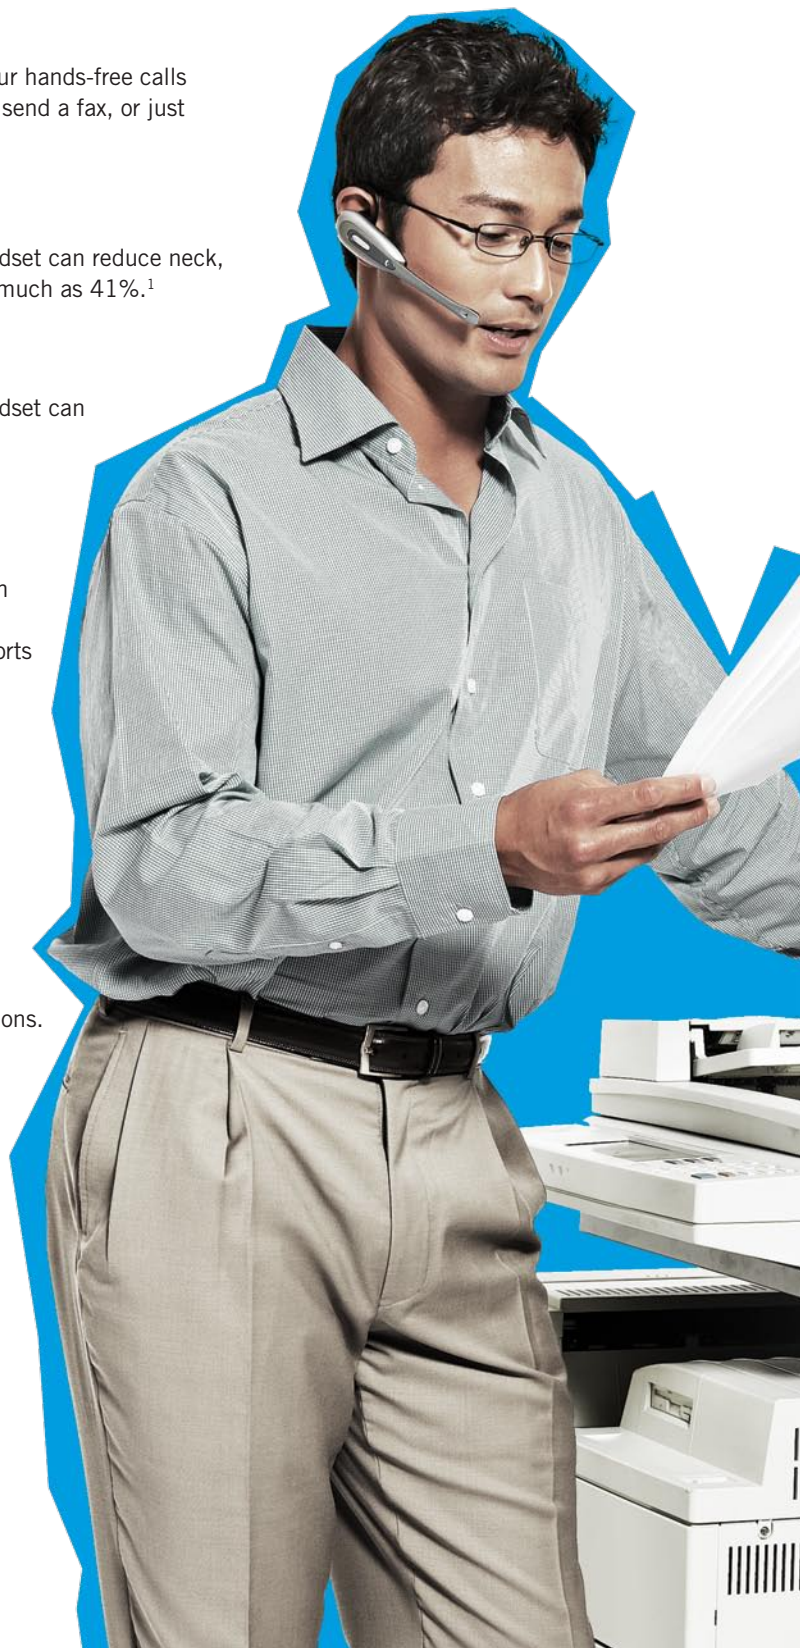

5. VoIP SOLUTIONS

Avaya headsets can dramatically improve your VoIP experience. Our heritage of delivering mission-critical reliability ensures your success with today's business-critical VoIP communications.
